MATCH PREVIEW

David Wright previews tonight's match against the Sharks.

West Adelaide make their third trip of the season to Bruce Stadium having been here in November in the *Ericsson Cup* and in the return leg of first round of the *Johnnie Walker Cup*. As one wag put it - "If they come here again this season, we'll have to start charging them rent!"

Seriously though, we have had some very close encounters with West Adelaide this season and this, the fifth meeting of the two sides, should break the deadlock. To date the score reads - played 4, won 1, drawn 2, and lost 1. Goals for 4, goals against 4!

The game is not simply important as a means of settling the score between the two sides for this season. It is important for the *Cosmos* to keep up their good form and knock off Morwell Falcons and finish a very creditable 9th - the top 'provincial' side in the league.

For West Adelaide the stakes are far higher. With five games to go they are only one win behind the **five sides above them!** It will only require one of them to slip up in the final run in for West Adelaide to qualify for the finals. Makes you wonder just what might have been when you consider the *Cosmos* have drawn 11 games this season - second only to Sydney United.

Recent form offers few clues. West Adelaide murdered Newcastle Breakers 4-0 away from home in Round 25, and then beat the Melbourne Knights 1-0 - only to get a drubbing themselves in the local derby when they succumbed to the Adelaide City Zebras' attack led by the League's most prolific scorer Damian Mori. *Cosmos*, on the other hand are playing out of their skins. A fortnight ago, their never-say-die attitude earned them a point against a slick UTS Olympic when they equalised in the last minute.

Last Saturday I was privileged to see one of the best games of the season at Marconi's Bossley Park. On a balmy

night, League leaders Marconi, tore through the heart of the *Cosmos* defence, seemingly at will. They opened the scoring on the quarter hour after Zoric scythed through the middle to set up Andy Harper. *Cosmos* created a number of chances in the first half and despite the home sides' superiority, *Cosmos* could conceivably gone into the break in the lead.

The second half saw *Cosmos* open with a period of sustained attacks and it was somewhat against the run of play when Matt Bingley broke clear after a *Cosmos* corner and found Zoric on the left of the box. The provider of the first goal, turned scorer when he stood Paul Dee up and drove a low shot past Tony Giannasca to give Marconi a comfortable break - or so it seemed!

Mike Lyons decisions to move John Koch into midfield and bring on Alex Castro were master strokes. Marconi hardly got out of their own half and goals from Peter Mazis and Michael Musitano deservedly squared the account. I am sure that Marconi coach, Manfred Schaeffer, was grateful for the final whistle. Few of the Bossley Park faithful have forgotten how lucky they were to win on our first visit. Most of them were equally relieved to pick up a point this time.

With Paul Wade and Jason Dunn available to strengthen the side against West Adelaide, the visitors run at a top six spot may hit the wall tonight. If *Cosmos* can convert just one in three of the chances they are likely to create tonight, they should win.

COVER PHOTO

Tony Lemizina setting up another chance on goal

From the LYONS Den

As the season draws towards the end, our chances of making the finals have gone. But despite that I, like most fair minded commentators, have been very pleased with the attitude shown by my players, not just in the last couple of games but throughout the season. The last two games, against the top two sides UTS Olympic and Marconi, clearly shows that we are extremely competitive and can mix it with the best the *Ericsson Cup* has to offer.

The last couple of weeks have given us the chance to see some great football both locally and internationally. I thought Australia did very well against Scotland and the main difference between the two sides was the quality of the finishing. Ally McCoist got two chances all game and his brilliant header was enough in the end to win the game for Scotland.

The two FA Cup semi-finals also gave us plenty of entertainment and a few lessons to learn. The pace of the game emphasises the importance of the first touch and, again, Robbie Fowler with a brilliant header and a very calculated chest and volley from a half cleared corner showed the importance of first class finishing.

Looking back over the season, if I was forced to identify one reason why we are not in the Finals it would be the quality of our finishing. While we've managed to score a fair number of goals, what I think makes us different from the more successful sides is the proportion of chances we put away. When we improve that ratio and convert the same proportion as, say, Damian Mori, Brad Hassall and Craig Foster do for Adelaide City, then we'll be up at the top as well.

As the finals approach, I have to say that despite their current sixth place on the ladder, Adelaide City are my choice for the Grand Final. Each time we have played them, they have looked a class side. With Damian Mori performing feats equal to Liverpool's Robbie Fowler, Adelaide City are frightening in attack and I don't think any team can feel comfortable against

them. They also seem to be running into form at the right time as well.

For those of you who have fallen into the trap of thinking that the players have nothing to go for, now that we have missed out on the Top Six, I can assure you that nothing could be further from the truth. The players know they have a responsibility to the fans who have supported them all year. They have a responsibility to each other and are playing for their places and new contracts.

Nowhere is that more true than in goal. With the departure of Steve Mautone for West Ham United, Tony Giannasca has fitted into the team very well. I was particularly pleased with his performance against UTS Olympic when he pulled a muscle and could not kick properly, but that did not stop him putting in an excellent performance. The competition for the No. 1 shirt should be pretty intense next season as I'm pleased to report young Danny Milosovic has started training again after his knee reconstruction.

If the lads continue their recent form I'm sure we will notch up two or three more wins before the season ends. The lads believe in themselves and in each other and will be keen to turn those frustrating draws into three pointers.

WEST ADELAIDE - CASTS FROM THE PAST

West Adelaide have visited the Canberra region 10 times in the pre-Cosmos era. Here's what happened in some of them.....

1977 — Canberra 1 West Adelaide 3

Canberra's line-up and scorer: Tilsed, Meredith, Brown, Henderson, Boskov, Hogg, Langone, Gruicic (1 goal), B Stoddart, Black (Kawaleva), J Stoddart [Coach: John Warren]

This was the first national league game ever played. Ivan Gruicic had the honour of volleying in Canberra City's first goal in the national league, in the closing stages of this round one fixture. But the visitors had performed a more prestigious feat - John Kosmina's 7th minute goal for West Adelaide was in fact the first goal ever recorded in the national league. West Adelaide were never troubled here and had established a three goal just after half time in the Manuka Oval clash, played in front of 1900.

1978—Canberra 1 West Adelaide 1

Canberra's line-up and scorer: Tilsed, Moulis, Parker, Stark, Milovanovic, Cant, Henderson, Stoddart, Davies, Gruicic (1 goal), Byrne, [Coach: John Warren]

Ironically another round one encounter. Also ironic was that Ivan Gruicic again scored Canberra's only goal, again in the final minutes of the game. This was the first official football game ever played at Bruce Stadium - which had opened a few months previously. The tied result, watched by 6100 persons, was the first in an incredible run of eight home drawn matches for Canberra.

1979—Canberra 0 West Adelaide 0

Canberra's line up: Hoszowski, Moulis, Milovanovic, Farrell (Hogg), Brown, Stark (Bailey), Salgado, Cant, Davies, Fielding, Byrne [Coach: Vic Fernandez]

Canberra remained in equal fourth position on the league ladder after an entertaining fixture. Notably Wests were the current champions, and this was John Kosmina's first game for the visitors after returning from a playing stint with Arsenal.

1980—Canberra 4 West Adelaide 3

Canberra's line up and scorers: Wilson, Moulis, Milovanovic, R O'Shea (1 goal), Williams, J O'Shea, Cole, Byrne, Brennan (Valeri - 2 goals), Giampolo (1 goal), MacLaren [Coach: George Murray]

A 69th minute penalty enabled Canberra to grab and keep the lead after a wildly sea-sawing scoreline until then. Wests coach Gerry Chaldi was sent from the field after "using foul and abusive language and coaching from the sideline". The seven goals scored is the equal highest number scored in any national league game played at Bruce Stadium.

1981—Canberra 1 West Adelaide 2

Canberra's line up and scorer: Wilson, M O'Shea, Stark, Cole, J O'Shea, Byrne, Massa (MacLaren), Farrell (1 goal), Brennan. [Coach: George Murray]

Canberra's first loss of 1981. Two defensive errors by Canberra allowed Wests to record their first away win of the year.

1982—Canberra 1 West Adelaide 2

Canberra's line up and scorer: Hoszowski, Ontong, Murray, Milovanovic, T Byrne, Bryant, Stone, G Byrne, Christopoulos (1 goal), Purdie, Brennan, Gibson (MacLaren). [Coach: George Murray]

Goals in the 15th and 17th minutes stunned Canberra who never recovered from the early setback.

1983—Canberra 2 West Adelaide 1

Canberra's line up and scorers: Hoszowski, Young, T Byrne, Moutsopoulos, Murray, Walsh (1 goal), Bryant, G Byrne, Brennan (MacLaren), Gibson (1 goal), Redmond. [Coach: George Murray]

Fullback John Walsh headed home a Steve Bryant corner to secure this match with 15 minutes to go.

1984—Canberra 5 West Adelaide 2

Canberra's line up and scorers: Economopoulos, Ontong, Harkins (1 goal), Christopoulos, Jones (1 goal), Bryant, Gibson, Perinovic (1 goal - replaced by Farina), Reis (2 goals). [Coach: Roy Thompson]

Another seven goal encounter between these two teams at Bruce Stadium. Canberra's second goal came via the head (where else?) of Marko Perinovic who was to celebrate his 20th birthday the following week. But young Perinovic was only warming up for the following national league fixture - where he notched a hat-trick away to Sunshine in Melbourne. Perinovic, who was yellow carded early in the second half, was substituted by another young goal poacher by the name of Frank Farina, who himself had turned 20 only four days previously. Another young birthday boy, Alan Reis (who celebrated his 22nd birthday the following day) scored Canberra's first and third goals. Canberra's job was made easier after a Wests fullback punched Perinovic in the head early in the second half and subsequently was sent off. Canberra's tenth win of 1984 was witnessed by only 750

UPDATE ON THE ACADEMY

Today's game against St George is a vital one for the Academy to win in order to continue our assault on the top four. In the first game at Bruce, Tony Lemezina scored a three-minute hat-trick in our 4-1 win, and at St George Stadium we comfortably won 3-1. Tonight will be a different story though, as we will not want to slip up again at home, particularly as we have a difficult away fixture on Easter Monday against the Queensland Academy of Sport, who are also challenging for the fourth position spot. We are currently in fifth place, two points behind UTS Olympic, but with a game in hand.

Last weekend, at Marconi Stadium, we sent shock waves through the rest of the League, by beating the Marconi Stallions 1-0. It was a thoroughly deserved win: after a very ordinary and lack-lustre display against UTS Olympic, the boys responded to Chris Tansey's preparation in the best possible way. The squad once again showed bags of guts and energy. Captain for the day, Blair Machin made some important saves; Jason Markezic and Shane Lyons used the flanks to raid the Marconi goal. From one such attack, in the 52nd minute, Markezic crossed and Adam Powell, the pocket dynamo, headed on to Jimmy Baxter who cracked a left-foot volley past the helpless Marconi keeper. Matt Valeri was making innumerable unselfish runs off the ball; Baxter, Powell and Scott Conlon were working overtime keeping the mid-field bottled up and Njegosh Popovich, Lindsay Wilson, Oscar Zamora and Craig Rankine defended resolutely until the final minute. That victory meant that we had beaten the league leaders twice this season and gives us great heart to meet the likes of the AIS and the QAS, and hopefully finish the season in the top four.

ERICSSON  **MOBILE PHONES**

From The Grandstand

In this issue, Chris Kunz shows that some attitudes towards our game have been around for a long time.

Ask the 'average Australian resident' how long the real football has been played in this country and you will invariably get the response that it was a post-war migrant-engineered phenomenon.

While the immigration program indirectly resulted in the establishment of many new clubs based on specific migrant groups, there were other community-based teams that had been in existence for many years. Auburn, Granville and Canterbury (for whom Johnny Warren first played top level soccer), for example, had long been an established part of the Sydney scene.

In fact Granville and Canterbury were original members of the British Football Association, Sydney outpost, begun around 1881—a year after Ned Kelly was hung. By 1888 there were six other teams in Sydney: Hamilton Athletics, Caledonians, Parkgrove, Pyrmont Rangers, Wanderers and Rovers.

There were another five or six clubs in Newcastle, one in Bulli and the Southern Cross Football Club (the subject of recent celebrations and 'From the Grandstand' articles) in Joadja Creek, near Berrima.

Dr Philip Mosely of the University of Canberra uncovered some information on that early period in an 1888 article dispatched from Sydney and printed in the Scottish magazine, 'The Scottish Umpire'. These excerpts throw light on the fledgling Association and its rivals:

'The players hail from England, Scotland and Ireland, and we have some rattling good players amongst them. There are a good few of the young colonials taking an active part in the game, and in that way we hope to see it take a good hold on the public.

Four seasons ago, one or two thousand was a big crowd for us, but year by year it has increased, and last year at one cup tie we had about 2000 present.

Of course all but the final is played on public ground, and at the final, when people have to pay, a few hundred are all we get and then it depends on what other attractions are on.

The rugby game is more popular and they can always raise double the crowd we can;

but, of course, they have been longer in existence, and have over 30 clubs playing the game.

In Victoria, the game received very bad treatment, Victorians believing in protection so much that the Victorian game is the only one that the public will patronise.

On the occasion of the last inter-colonial match at Melbourne, 'The Age' was childishy funny, and on the game saying that "bunting the ball with the head was apt to cause softening of the brain," and generally ridiculing it.

I was told that our brother footballers there experience great opposition in their endeavours to popularise the game. They have four clubs, and have private grounds to play on, and only want some encouragement to get on fast.

I don't know much about Queensland, so can't say much, but I am told they have a lot of good players there, and they believe they could give the N.S. Wales a good licking.

I see by the New Zealand papers that the game has been instituted there within the last two or three years, and I believe is getting on fast, and Dunedin is so much a Scotch place, I expect the British Association will run the rugby game pretty close for popularity.'

Ah, how little has changed in over a century! It all shows how important the new Soccer Australia board is in trying to give our game a mainstream future.

"When you're ready to play the game"
